## Benefit bake sales for Benji Lackey

Store Reporter Lavern Farge

The employees of K mart 7135, Medina Ohio, joined forces with the employees of K mart 3286, Brunswick, Ohio and the Medina Life Support Team to sponsor a benefit bake sale for the son of Medina employee, Sharon Lackey.

Benji Lackey was severely injured on April 23, when he was struck by a truck. He was rushed to Akron Children's Hospital, where he underwent seven hours of surgery in order to save his leg. Doctors are still uncertain as to the limit of use he will have of the leg and he is expected to remain in the hospital until July.

His father, Dan, has some hospitalization with his job as a paramedic with the Life Support Team; however, the expenses for Benji's care have been projected to exceed \$400,000.

On April 30, a bake sale was held at 7135 in order to help with some of these vast expenses. Two members of the Life Support Team helped with the sale and a number of employees donated their time off in order to help with the hundreds of pieces of baked goods that employees prepared.

Brunswick K mart, upon hearing of this need, held their own bake sale, again with the employees donating time and baked goods.

Despite heavy rains, both sales proved to be a success. The proceeds from the sales were donated to the Benji Lackey Benefit Fund at Old Phoenix National Bank.
